To Whom It May Concern:

I request an INVESTIGATION of the Hermosa Beach School Board ("Board") and the Hermosa Beach School District ("District") for any alleged ILLEGAL ACTIONS regarding their LEASING OF NORTH SCHOOL TO OUTSIDE BUSINESS ENTITIES when THEY had "serious overcrowding" in our Elementary School District.

It is also necessary to INVESTIGATE THE FAILURE of the Board to ATTEMPT to ENFORCE AN EXISTING LEASE AGREEMENT with the City of Hermosa Beach ("City") to use a portion of the FORMER PIER AVENUE SCHOOL FOR STUDENTS, when there has been "severe overcrowding" in the District. If need be, the Board SHOULD AND COULD HAVE ENTERED INTO A NEW LEASE AGREEMENT with the City for the use of the FORMER PIER AVENUE SCHOOL, BUT THEY REFUSED TO REQUEST THAT OPTION!

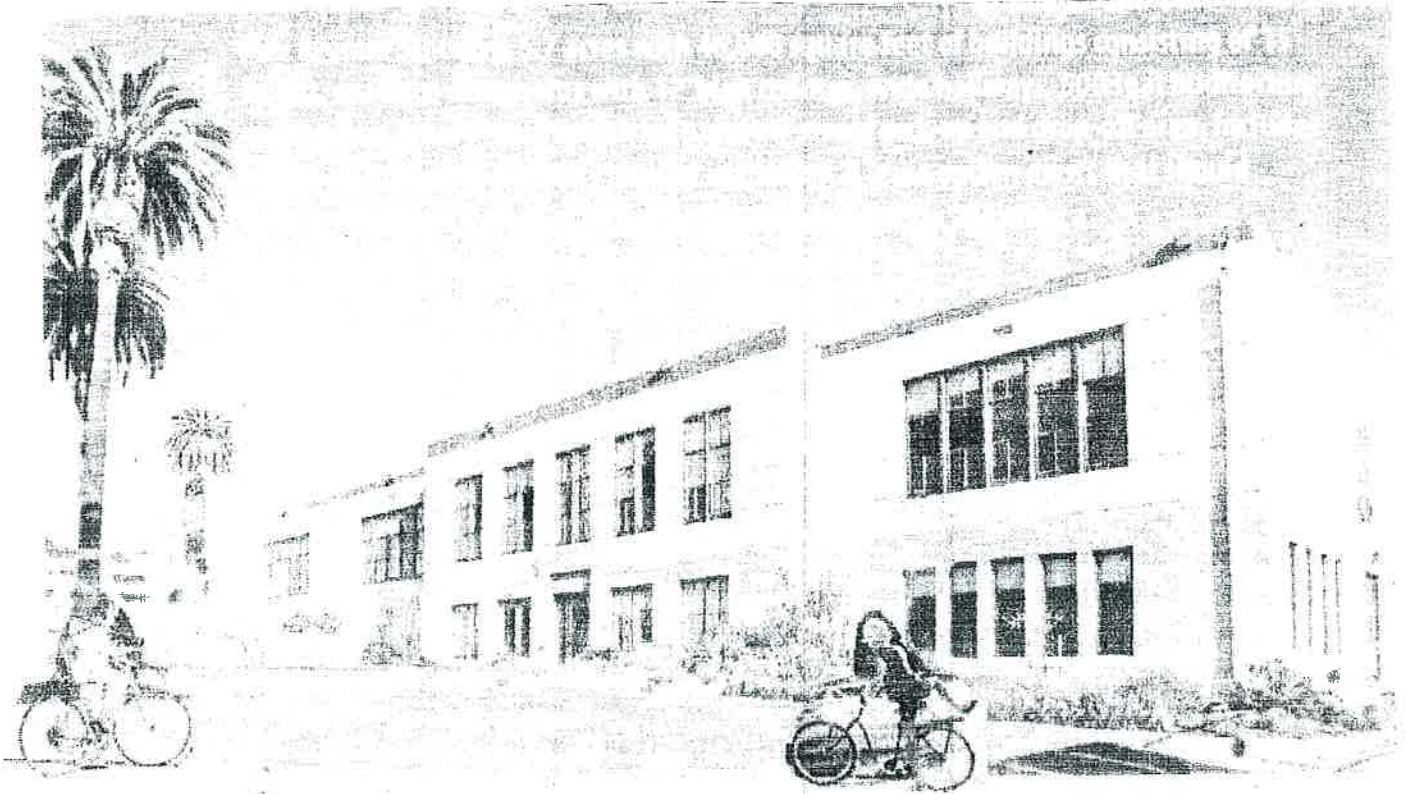

The Board has DENIED ABOUT 600 STUDENTS FROM BEING ABLE TO ATTEND NORTH SCHOOL and the FORMER PIER AVENUE SCHOOL by THEIR FAILURE to act properly and reasonably to END the "severe overcrowding"! During each academic school year, the Board and/or District DENIED some 300 PUPILS to ATTEND NORTH SCHOOL. While North School is owned by the District, it is not designated at this time as a public school (but it has been in the past). That designation can be changed any time by the School Board!

There are 15 CLASSROOMS AT THE FORMER PIER AVENUE SCHOOL, which would allow for some 300 PUPILS. The Board DENIED OVER 300 PUPILS TO ATTEND THE FORMER PIER AVENUE SCHOOL inasmuch as the Board should have attempted to ENFORCE the LEASE AGREEMENT with the City—but the Board refused!!

The Board claims they are overcrowded by 489 pupils. If they pursued their options, outlined herein they would have increased room for 600 pupils! There would even be a SURPLUS of room for 111 ONE HUNDRED AND ELEVEN ADDITIONAL STUDENTS!!!!

Vote No on Measure S on June 7

EasyReader News

In the event that Measure S does pass, opponents said Tuesday night that they are preparing alternatives. Resident Parker Herriott said he planned to circulate a petition for an ordinance to compel the city to reopen the Community Center as a school, and said opponents would consider suing the district if the bond passed. He also requested that the Los Angeles County District Attorney and grand jury launch a criminal investigation of the school board.

"We already beat you last time by 32 votes," said Herriott, referencing the narrow defeat of school facilities bond Measure Q in 2014. "Don't elections mean anything to you people? Apparently not."
